PROFILE

Business undergraduate at Forman Christian College University, Lahore, and active founder with three running ventures spanning no-code product development, agri-supply-chain, and a founder-focused media community. Six years of hands-on experience building, marketing, and operating digital businesses, with international clients across the United States, United Kingdom, and South Africa.

EDUCATION

BS Business — Forman Christian College (A Chartered University) — Lahore, Pakistan *Fall 2024 – Present*

- CGPA: 3.40 / 4.00 — 45 credits earned, currently in fourth semester (Spring 2026)
- Key coursework: Marketing & Selling Skills (A), Principles of Management (A), Principles of Accounting (A), Intermediate Accounting (A), Management Communications (A-), Entrepreneurship (B+), Microeconomics, Management Accounting & Control, Economics Applications for Business, Individual & Group Dynamics

A-Levels — Beaconhouse College Program, Defence Campus *2021 – 2023*

- Awarded Merit Scholarship (2021-2022)

O-Levels — Beaconhouse School System *2018 – 2021*

- Result: 3 A*, 3 A, 3 B — Certificate of Merit for securing 6A*/A grades

ENTREPRENEURIAL EXPERIENCE

Co-founder & CEO — Venfound — Venture Studio *February 2024 – Present*

- Co-founded a no-code agency that designs and builds web applications on Bubble.io for international clients.
- Delivered projects for clients across the United States, United Kingdom, and South Africa, managing the full cycle from scoping to deployment.
- Lead client communication, project management, and quality assurance across a distributed team.

Founder & CEO — StaLab — Founder Media & Community *April 2026 – Present*

- Founded an early-stage venture building a media platform and community for founders, investors, and people interested in startups.
- Launched a YouTube channel interviewing founders and business owners to surface practical lessons from operating ventures in Pakistan and abroad.
- Currently developing the community model and content roadmap toward a long-term founder-network platform.

Founder & CEO — Getlivestock — Agri-Supply-Chain Venture *2023 – Present*

- Building a long-horizon venture aimed at addressing supply-chain inefficiencies in Pakistan's livestock and agriculture markets.
- Conducted market research and small-scale operational pilots; venture remains in exploration phase as the unit economics are refined.
- Treating the project as a multi-year commitment to a structurally hard but high-impact problem area.

PROFESSIONAL EXPERIENCE

Media Manager — Alt Ventures *September 2024 – January 2025*

- Created and led "The AI Society", a media project built from scratch, scaling it from 0 to 6,000 followers.
- Produced a video that crossed 1 million views and drove 2,300 downloads of tbh, a newly launched app, in under 24 hours.

Social Media Coordinator — Exifo Solutions (Pvt.) Ltd. *June 2022 – December 2023*

- Supported the company's early social media efforts, contributing to content ideas and assisting with online presence on a part-time basis.

E-commerce Operator — Multiple Online Stores (incl. 4 O'Clock, Shape It) *March 2022 – December 2023*

- Independently ran several e-commerce stores end-to-end: inventory, finances, marketing, customer service, and fulfilment.

- Designed and implemented marketing strategies that grew sales and brand visibility across social platforms.
- Achieved customer message-to-sale conversion rates of 10–14%, working with high-volume inquiry flows on social channels.
- Built efficient response and operational workflows to handle simultaneous customer interactions without sacrificing service quality.

Content Creator (YouTube) — Independent — Multiple Channels

October 2019 – Present

- Manage multiple YouTube channels with a combined catalogue of 180+ videos, maintaining consistent uploads over 6+ years.
- Own the full production cycle: scripting, mobile-based filming and editing, thumbnail design, and SEO optimisation.
- Apply keyword research and ranking strategies to grow organic discoverability.

HONOURS & AWARDS

- Merit Scholarship — Beaconhouse College Program, Defence Campus (2021–2022)
- Certificate of Merit — Securing 6A* /A in O-Levels
- Certificate of Participation — Panel Discussion on Changing Dynamics of Teaching
